Subject: Letter to Jasmine

20th May 2023

Dear Jasmine.

It has been brought to our attention that you recently instigated a meeting with the Community with the intention of voting to remove Stephen Williams from the Community. You made this decision after our explicit instructions not to do this.

In light of this action, along with your relentless pursuit in trying to derail the Community and gather support for Gill and Simon, we as a Board have decided that we must take action to safeguard Stephen and other members of the Community who have been left feeling very vulnerable due to your actions.

We have reasonable grounds to believe that going through normal disciplinary procedures would result in a significant threat to the safety and wellbeing of Stephen and other members of the community as a consequence of your continued pressure and intimidation tactics.

We therefore confirm that we are revoking your community membership. You must vacate your property and leave Monkton Wyld Court with immediate effect. If you need a few days to make arrangements let us know what these are so we are able to provide support if appropriate.

Please note that your stipend will stop week beginning 29th May 2023.

We refer you to the following aspects of your conduct which are, in our view, wholly unacceptable and which have led to your summary dismissal:

- Rallying support against Stephen
- Instigating meetings in Stephen's enforced absence with the intention of ending his stay at Monkton Wyld Court
- Acting towards Stephen in a manner we consider intimidating and exclusionary.
- Applying force verbally to get some Community members to comply with your way of thinking

Yours sincerely

The Board of Trustees
